

# NCCER CSST

Safety Council of Texas City

Revised : 4/18/2018

The CSST (Construction Site Safety Technician) class **includes the following Certificates:**

- Field Safety (NCCER)
- Safety Technology (NCCER)
- Construction Site Safety Technician (NCCER)
- Construction Site Safety Supervisor (NCCER)
- OSHA 30 Hour in Construction

Please note: if you are a company that would like to register your employees, you must email the following information: Company Name, Member ID number (and PO number if applicable), and employee names. By doing this you are giving permission to bill your company's account for the amount of the class. Please contact Kimberly Robison for confirmation of the scheduled dates of the CSST class.
